```

2. Gradle Build Version

Gradle Build Version: 3.0.1

3. SDK Information

Application Targeted SDK: 26

Application Minimum SDK: 15

4. Version Control Platform

Version Control Platform: Github

5. Testing Device and Android Version

Samsung Tab A with S Pen, with Android 7.1.1

Huawei FIG-AL10, with Android 8.0.0

6. Testing Virtual Device and Android Version

Google Pixel 2 with Android P

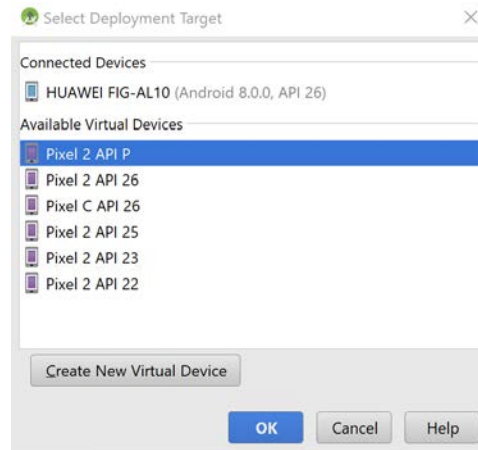

Google Pixel 2 with Android 8.0.0

Google Pixel C with Android 8.0.0

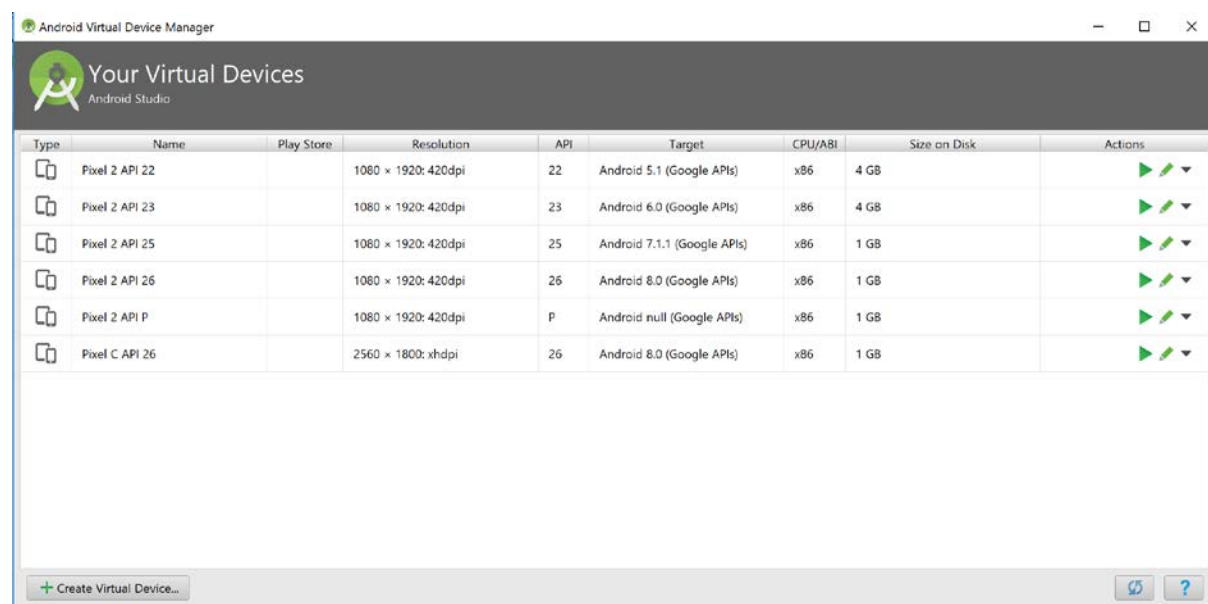

Google Pixel 2 with Android 7.1.1

Google Pixel 2 with Android 6.0

Google Pixel 2 with Android 5.0

7. Virtual Device Configuration

8. External Jar Files

8.1 Java Mail for Android
